PRESS RELEASE

FOR IMMEDIATE RELEASE 9TH FEBRUARY 2023

BRISANE, Australia, 9 February 2023 – Safe Haven Community is proud to announce the World's Biggest Dinner Party, a fundraising event aimed at supporting women & children escaping domestic abuse. The event will be held during the month of May, which is designated as Domestic Violence Awareness Month.

The World's Biggest Dinner Party will bring together individuals, businesses and families from all walks of life to enjoy good food, music, and each other's company, all while making a difference in the lives of women and children affected by domestic abuse. The event will be a celebration of community, kindness, and resilience, and will raise crucial funds for Safe Haven's ongoing efforts to provide shelter, support, and resources to women in need.

"Domestic violence is a devastating issue that affects far too many women and children in our communities," said Jaeneen Cunningham, Executive Director of Safe Haven Community. "Through the World's Biggest Dinner Party, we hope to raise awareness and funds to help more women escape abuse and build a better future for themselves and their families."

The official date for The World's Biggest Dinner Party is the 13th of May 2023, but that doesn't mean your event has to be held on that day. It can be any time during the month of May. All proceeds from the event will go directly to Safe Haven Community's programs and services for women and children escaping domestic abuse.
